Approval of previous minutes; question from the floor "can COYSA reps make motions?" Yes
Motion to approve previous minutes; all in favor.

Agreement with DLC

Paul and Deb to continue negotiating with the District on use of the Beasley Club house for storage.

Field Use Update

Last soccer year, 2010, COYSA was billed \$10/hr for practice and games on Beasley Fields. Should be \$2.50 for practice and \$7.50 for games, the final # \$7.50 for both. Need to bring the District on side for cost as COYSA does not want us using Beasley at the current cost. What is the point of having Soccer fields in Lake Country if they are not used?

Financial Update

- Legacies Grant Kim and Andrew will help. Adult education as opposed to Saturday games.
- Other Grants, nothing in reference to the grant. Can the province not provide us with a copy. Paul knows someone in Vancouver who has a business of finding grant money. You pay them nothing up front and they get 20% of what they find for you.
- Sale of Five (5) Tents to LCSS and/or LCSC cheque has cleared \$2000.
- we retain 5 tents and 5 player benches, 3 others player benches were destroyed.

Adult AGM Date

No one has a date, Mike will find out for us.

Logo ideas

Need something by February 1 to submit to Soccer Express. Approach the school Art Depts. digital, 3 X4", up to 4 colors, going on the orange jersey, winner gets a hoodie with the logo on it. Motion to approve Logo Design Invite; all in favor. Closing date January 21, 2011.
